

## News up-date from Sarah & Caroline, Happy Child Brazil – July 2007

It is so great to be back in Brazil with all our friends from Happy Child. The team is fantastic and the work has grown so much. Sarah has been busy doing street work, visiting families in the favelas, spending time with the children on the farm and some of the other houses. Seeing the transformation of the kids from the streets to the homes is always fantastic. Many of the older teenagers are now learning a profession and many have jobs. Sarah is also filming for a DVD of Happy Child's work and writing some articles. The training course is now in its 12<sup>th</sup> year with 37 students and Sarah spoke on the course last night about missionary calling and the vision of a ministry.

Caroline has spent the week working on the 180 Alliance Accreditation in Happy Child. She has visited all seven houses and interviewed children and staff. in order to evaluate Happy Child's strengths and weaknesses so that it can grow more effectively. . She has been working with Teresa Dos Santos from Red Viva-RJ Network in Rio de Janeiro.

Prayer Points:

- That the results of the Accreditation will bring important change for Happy Child
- That the rest of the filming for the DVD will go well especially when we arrive in Recife next week.
- Please pray for protection
