**The Happy Child
4th Annual Golf Day at
Clandon Regis Golf Club**

on Thursday
23rd September 2010
for Golf, Dinner
and an Auction

What we have achieved, with your help, since 1993

- over **8,000** street children **rescued**
- **replicable model** of providing street children services in city centres
- **10** homes opened
- **internationally recognised** training course specifically for working with street children
- over **500** people from across the world **trained** through Happy Child
- spawned a number of **new** street children **charities**
- over **70** trained and dedicated Brazilian **staff**
- founding member of a **global alliance** of charities working with street children
- a **unique 12 step programme** for holistic care and re-integration of street children

The course

Set in 170 acres of prime Surrey parkland, the 6485 yard par 72 golf course utilises the natural undulations of the terrain. Several existing and some man-made lakes and strategically placed bunkers ensure that Clandon Regis is a good Bunker Shot test of golf for players of all abilities.

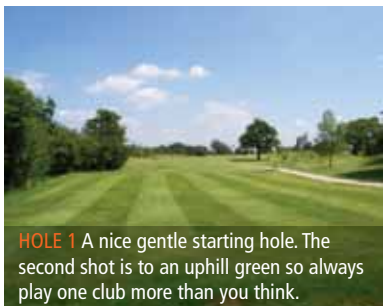

Designed by David Williams and opened in 1994, Clandon Regis quickly attained Championship status hosting several PGA Championships and is

now the Headquarters of the PGA South Region.

Highlights include the 183-yard par 3, 11th which requires a tee shot over a lake off the back tees, while the short par 4 10th requires a

nerveless swing off the island tee to find the gap

between the two towering trees that split the fairway. The sloping greens require pin point approaches to ensure you get on the 'right side' of the hole to give yourself chances for birdies.

HOLE 1 A nice gentle starting hole. The second shot is to an uphill green so always play one club more than you think.

HOLE 11 One of our signature holes. A long carry over water to an undulating green.

Your day includes:

12.30pm
Sandwiches and light refreshments on arrival.

1.30pm
Shotgun Start
(1.10pm Briefing).

STABLEFORD SCORE
2 best scores on each hole to count.

Happy Child rescues street and 'at risk' children in the large southern city of Belo Horizonte and the north-eastern city of Recife on the Atlantic coast of Brazil. We have a 24 hour emergency reception centre, eight safe homes and a farm community, all of which provide a secure base for their rehabilitation and re-integration back into family and community. Founded in 1993, Happy Child today is regarded as one of the leading and most experienced Christian charities working exclusively with street children in Brazil.

Children are the future. We need to protect, clothe, feed, house, nurture and love them – helping them to develop into responsible, secure adults. We can only do this with your

HELP

- Brazil has 25 million deprived children living in desperate poverty
- Over three million children of all ages live on the streets

- 450,000 are orphaned or totally abandoned
- 35 per cent of street children die before they are 18 years old
- 500,000 children are involved in the sex trade
