

LEAVE A LASTING LEGACY

Dear Supporter

As Chairman of Happy Child International, may I firstly take this opportunity to express my heartfelt gratitude for your continued and generous support. It has been invaluable in allowing us to continue our vital work in Brazil which I know matters greatly to you. I also want to thank you for considering extending this support by leaving a gift in your will to Happy Child. This gift will be greatly appreciated and will be a blessing to every young person and their family as we help them on their journey.

Our journey started 28 years ago and having rescued over 12,000 children in Brazil, our vision has never faltered: Every child and young person deserves to fulfil their potential! We are passionate about bringing transformation and lasting change to the most marginalised and vulnerable children, young people and their families. By providing the poorest with protection, family care, education and opportunities we are determined to break the cycle of poverty.

Your gift, large or small, will help Happy Child continue on this vital journey. Not only will your values live on, but your legacy will continue to change lives long into the future.

My sincere thanks

John Doddrell
